MEMORANDUM FOR THE RECORD

25X1A9a

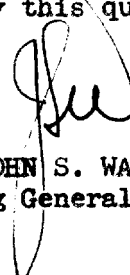

SUBJECT: [REDACTED]

25X1A9a

1. [REDACTED] came in to see me on 29 August. He raised certain technical questions concerning accomplishment of the application for retirement and the forms relating to a possible BEC claim.

2. He also again raised a point of the freight from Washington to the West Coast of two trunks totaling about 700 pounds. He insists that the \$7.73 charge mentioned in the last letter from Mr. Reynolds was merely the railway express cartage from his hotel in Washington to Union Station. He believes that by working back from this fee for cartage the Agency would be in a position to approximate the amount of the freight. I told him to raise this question again in his next letter transmitting the completed forms. At that time I will work with [REDACTED] in preparing 25X1A9a an answer to [REDACTED] to settle finally this question.
